

EC Certificate of Conformity

No. 0780-CPD – 95133

In compliance with the Directive 89/106/EEC of the Council of European Communities of 21 December 1988 on the approximation of laws, regulations and administrative provisions of the Member States relating to the construction products (Construction Products Directive – CPD), amended by the Directive 93/68/EEC of 22 July 1993, it has been stated that the construction products

Glass beads, grain sizes 850 µm – 180 µm and 710 µm – 125 µm

Breaking index class A

for use as drop-on materials for the road marking in traffic areas

placed on the market by

**Tianjin Gangde Industrial & Trading Co., Ltd.
Gongnong Village, Shanggulin Street, Dagang District
Tianjin City - P.R. CHINA**

and produced in the factory

**Tianjin Gangde Industrial & Trading Co., Ltd.
Gongnong Village, Shanggulin Street, Dagang District
Tianjin City - P.R. CHINA**

are submitted by the manufacturer to a factory production control including testing of samples according a prescribed test plan and that the approved Testing, Inspection and Certification Body - No. 0780 CPD -

TÜV Rheinland LGA Bautechnik GmbH

has performed the initial type-testing for the relevant characteristics of the products, the initial inspection of the factory and the factory production control on 2008-09-18 and -19 and performs the regular inspection, assessment and approval of the factory production control.

This certificate attests that all provisions concerning the attestation of conformity and the performances described in Annex ZA of the harmonised standard

EN 1423:1997 / A1:2003

were applied and that the products fulfil all the prescribed requirements.

This certificate was first issued on 2009-02-09 and is now extended to an additional grain size. It remains valid as long as the conditions laid down in the harmonised technical specification in reference or the manufacturing conditions in the factory or the factory production control itself are not modified significantly or latest till 2013-12-31.

Nuremberg, 2009-11-03

Dipl.-Ing. Karl-Heinz Störlein
Head of the Certification Body
